2606-630

The 2606 is a super-de-luxe version in the super soft qualities. The pile is made of 100% Polyamide Silk Look yarn. Super soft and shiny. Thanks to the higher pile and full piledeck the 2606 has a luxurious appearance and a tough look.

BENEFITS

- ultimate comfort. That is 2606. The polyamide ultra-soft yarn makes it soft to the touch. The shiny yarn gives the carpet an exceptional visual effect
- perfectly suitable for intensive use due to the combination of the polyamide fibres and strong pile adhesion
- polyamide
 - > very strong fibre
 - > easy to clean and maintain
 - > long lifespan
 - > very durable
- wide range of applications (see characteristics)
- highly suitable as a custom area rug
 - > rugs are supplied with a standard comfortable extra anti-slip backing
 - > also available as volume rugs (folded edges)
- available in custom colours from 300 m2

SYMBOLS
