

cunera

Technical information.

Quality	: Sibo
Pile material	: 100 % Sisal
Production method	: Woven
Width	: app. 400 and 500 cm
Backing	: Latex
Pile weight	: app. 1350 g/m ²
Total weight	: app. 1875 g/m ²
Pile height	: not applicable
Total height	: app. 5,5 mm
Classification	: Normal to heavy domestic use.
Resistance of heat conduction	: 0,049 m ² /K/W
Fire classification DIN 66081	: B1 / S1 on request.
